

Safe conferences at IKEA Hotell

At IKEA Hotell we have your best interests at heart. We put the safety and health of our guests, co-workers and suppliers first. We are carefully monitoring the development of Covid-19 and following the recommendations and directives put up by the Public Health Agency of Sweden. We want to make sure that you as a conference guest feel safe and at home at IKEA Hotell moving forward, and have therefore taken following safety measures:

- We have cut the amount of guests allowed in our meeting rooms in half. The furnishing has been spaced out according to restrictions so that we can keep on keeping our distance.
- Our rooms and technical equipment are cleaned after every conference.
- Our lunches are À la carte and our individually packed fika is served in communal areas where we can ensure that safe distancing is followed. You can also choose to have the fika served in our conference rooms.
- Hand sanitizer is available for use in both our conference rooms and communal spaces.
- Adjusted cancellation policy: cancel your booking free of charge up until two days before the conference.
